Love feeling cosy? Love natural gas.

A beautiful natural gas fire sets the scene for cosy winter days and comfy nights at home. At Australian Gas Networks, we're supporting our customers to enjoy the benefits of natural gas room heating with a range of rebates* for energy efficient appliances.

Appliance must have a minimum
4.5-Star Gas Energy Rating

\$600

rebate for new, not replacement flued room heater
(i.e. natural gas log fire, wall furnace, space heater)

\$350

rebate for replacement flued room heater
(i.e. natural gas log fire, wall furnace, space heater)

* Subject to Terms and Conditions. Visit australiangasnetworks.com.au/rebates for full eligibility criteria and promotion dates.
